There are two different ways requested by the CR to file a petition. The first way is to submit a petition as brought by the public directly to the land by the USPTO. This option applies if the petitioner is a citizen or resident of the United States. The second way is to submit a petition through a patent agent or attorney who is admitted to practice before the USPTO. This option is estimated to take 12 minutes to complete. The cost of the petition is \$100. If the petitioner is a foreigner, depending upon the method used, the fee can range from \$100 to \$200. The fee can be paid by check, money order, or credit card. The fee should be sent to the Chief Information Officer U.S. Patent and Trademark Office. Please contact the Chief Information Officer at (800) 762-2269 for more information. **DO NOT SEND FEES OR COMPLETED COPIES TO THIS ADDRESS.**
